**SECTION 1.2. Recognition Clause.** The Associations and the Employers it represents in bargaining recognizes Plumbers Local Union 130 UA (the "Union") as the sole and exclusive bargaining representative for all of their employees who perform any of the work applicable within the Articles of Jurisdiction as set forth in "Appendix A" to this Agreement for which the Union has been chartered by the United Association within the City of Chicago, Illinois, Bureau, Cook, DeKalb, DuPage, Grundy, Iroquois, Kane, Kankakee, Kendall, Lake, LaSalle, Livingston, Marshall, McHenry, Putnam, Will and Woodford counties, Illinois and wherever additional geographic and territorial jurisdiction may be awarded by the United Association. . The Union recognizes the PCA as the exclusive bargaining agent of its individual member Employers with respect to their employees.

Employees covered by this Agreement shall place in position and connect all materials, appurtenances, devices, fixtures and equipment used in the construction of plumbing as well as handle, unload and distribute all of the above mentioned upon and after its arrival on the job site or premises. When fixtures or equipment are protected by covering during construction, such covering shall be put on and

Employees covered by this Agreement shall do all the laying out, cutting and drilling of all holes, chases and channels, the setting and erection of bolts, inserts, stands, brackets, supports, sleeves, thimbles, hangers, conduits and boxes used in connection with work falling under the jurisdiction of the Union.

It is understood and agreed that the foregoing Paragraphs of this Section shall not be construed as limiting the scope of bargaining unit work and that employees covered by this Agreement shall perform all work covered by the Articles of Jurisdiction included in Appendix A which comes within the work jurisdiction for which the Union has been chartered by the United Association.

**SECTION 1.3 Union Shop.** All journeymen and apprentices who are now in the employ of the Employers covered by this Agreement, and all journeymen and apprentices who are hereafter employed by Employers covered by this Agreement, shall, as a condition of employment, become members of the Union on the earliest date provided by applicable federal law after their employment, or the effective date of this agreement, whichever is later, and shall, as a condition of employment, remain members of the Union during the term of this Agreement.

**SECTION 1.4 Subcontracting.** No journeyman shall be permitted to subcontract or accept a lump sum payment (lump) for the installation of any work under the jurisdiction of the Union. Parties violating this Section shall be penalized by their respective organizations through the Joint Arbitration Board. The Employers agree not to sublet, lump or contract for labor any work which comes under the jurisdiction of the Union with any member of the Union. Such subletting, lumping or contracting shall be considered a violation of this Agreement and summarily dealt with, in accordance with the grievance procedures of this Agreement. Nothing herein prohibits subcontracting work to MBE, WBE, and DBE as long as those entities are signatory to an Agreement with the Union.

The Employer agrees that in the event the Employer subcontracts any work coming under the provisions of this Agreement to any other person or firm, the Employer shall subcontract the same only to another Employer who is a party to this Agreement. A refusal of employees to render services upon a job site where this subsection is violated shall not be a violation of this Agreement for any purpose, nor shall such refusal be cause for discharge.

**SECTION 1.5 Moonlighting.** No employee shall be permitted to work for himself or work after hours or on Saturday, Sunday or Holidays as a self-employed Employer or work for another Employer as a subcontractor. First time violators may

be summoned before the Union Executive Board in accordance with the procedures of the United Association Constitution. However, a trial shall be set for repeat offenders. Discharge from employment for repeat offenders will not be construed as a violation of this Agreement.

**SECTION 1.6 Access to Premises.** Duly authorized representatives of the Union or of the Joint Arbitration Board shall, for cause, be allowed to visit any job and/or any Employer's place of business during working hours to interview the Employer or the Employer's duly authorized representative, or the men in his employ, to determine compliance with the Agreement, but there shall be minimal interruption to the progress of the work. Further, it is agreed that job site visits by a Union representative are without additional restrictions but that visits to the shop shall be by appointment if that is the Employer's policy.

Duly authorized representatives of the Fringe Benefit Funds shall be extended the same right, as described above, in order to inspect or audit all books and records of the Employer which pertain or relate to the Employer's compliance with this Agreement. Such records which shall be available for inspection or audit include but are not limited to payroll and time records, time books, payroll and income tax returns, blueprints, contracts, invoices, permits, and documents related to workers compensation, public liability and unemployment insurance coverage. It is understood and agreed that such visit, inspection or audit shall in no way hinder the progress of the work being performed. Should the Employer refuse to permit such inspection or audit as authorized by this Article, the Employer shall be liable for all costs and legal fees incurred by the Union or the Fringe Benefit Funds in obtaining a court order requiring the Employer to permit such inspection or audit. Such liability shall be in addition to and not in lieu of any relief or remedies available in such proceeding to the Union, or the Trustees of the Fringe Benefit Funds under any Illinois or federal law.

**SECTION 1.7 Exclusivity.** If at any time, the Union should enter into any collective bargaining agreement for its members for work described in Section 1.2 hereof, which in the opinion of the PCA (Association) contains terms and conditions more favorable than the terms and conditions contained in this collective bargaining agreement, then the Association may, upon written notification to the Union, adopt such terms and conditions, and this Agreement shall be modified accordingly.

This provision shall not apply to Kankakee & Iroquois Counties. This provision shall not apply to any national agreement or Project Labor Agreement whose terms are available to all bidders.

## **ARTICLE II STRIKES AND LOCKOUTS**

**SECTION 2.1 Lockouts.** The Employer agrees that there shall be no lockout of employees during the term of this Agreement.

**SECTION 2.2 Employee Job Action.** The Union agrees that there shall be no abandonment of work over any matter which is subject to arbitration, provided, however, that the Union may withdraw its members from the employ of, picket and/or use other lawful economic means against any Employer by reason of the Employer's non-payment of wages, deductions or contributions or the Employer's failure to obtain, maintain in full force and effect and keep on file with the Union the requisite bond or letter of credit and workers' compensation insurance as more fully provided under this Agreement, notwithstanding that disputes over such matters are subject to arbitration hereunder.

## **ARTICLE III DISPUTE RESOLUTION**

**SECTION 3.1 Grievance Arbitration.** Disagreements or disputes arising under or which involve interpretations of this Agreement, shall be processed and settled by arbitration in the manner set forth in this Article.

**SECTION 3.2 Joint Arbitration Board.** The parties hereto agree that all arbitrable disputes arising between them shall be submitted to a Joint Arbitration Board. The Joint Arbitration Board shall be comprised of ten (10) members, consisting of five (5) members appointed by the PCA and five (5) members appointed by the Union. A quorum of the Joint Arbitration Board shall consist of at least three (3) Board members appointed by the PCA and at least three (3) Board members appointed by the Union. The Board shall not take any action without the presence of a quorum. Decisions of the Joint Arbitration Board shall be by a majority vote which shall consist of Fifty percent (50%) plus one (1) of those members of the Joint Arbitration Board present and voting.

The duties of the Joint Arbitration Board shall be to decide on all cases as presented and in conformity with the sections contained in this Agreement. In the event of deadlock by the Board, whereby a decision cannot be rendered, the case will be assigned to an arbitrator mutually agreeable to the Board members. In the event the Board members are unable to agree on an arbitrator, the Board shall give written notice of such inability to agree to the parties to the arbitration. Thereafter, the parties shall request the American Arbitration Association to submit a list of seven (7) arbitrators. The parties shall alternate in striking names from the list until

one name remains, with the first strike to be made by the party initiating the arbitration. The person whose name remains shall be the arbitrator. The arbitrator shall have no authority to vary or ignore the provisions of this Agreement. The arbitrator's decision shall be final and binding on the parties to the arbitration. The expenses of the arbitrator shall be divided equally between the parties to the arbitration, except that no employee shall be required to pay any such expense.

The Joint Arbitration Board shall meet twelve (12) times during the calendar year, or as needed, for the purpose of considering current and new business. The reasonable and necessary expenses and costs incurred by the Joint Arbitration Board in performing its functions under this Agreement, as authorized by the Union, The Fringe Benefit Funds and Plumbing Council Industry Fund who are entitled to payments or contributions under this Agreement, shall be paid by them in proportion to their interests out of the sums collected as liquidated damages pursuant to Article IX, Section 9.8 hereof, to the extent that such sums are available; otherwise such expenses and costs shall be borne and paid for by the parties thereto.

Within a period of thirty (30) days' time after the execution of this Agreement, the Joint Arbitration Board shall meet, organize, elect a Chairman, Secretary and Treasurer and transact any business that may properly come before the Joint Arbitration Board. The Secretary need not be a member of the Joint Arbitration Board and in that event the Secretary shall have no vote.

**SECTION 3.3 Audits.** An auditor(s) selected by the Fringe Benefit Funds shall conduct an audit to determine whether the employer is complying with his contract obligations concerning fringe benefits being paid, wages being paid, and dues deductions being paid. Such auditor(s) shall be an agent of the Fringe Benefit Funds. Audit disputes concerning wages and/or dues deductions being paid shall be heard by the Joint Arbitration Board whose decision will be final and binding. Audit disputes concerning fringe benefits shall be determined by the audit and collection policy of the Fringe Benefit Funds.

**SECTION 3.4 Other Contract Violations.** In the event of an alleged contract violation other than one which is subject to Section 3.3 of this Article, immediately above, a Business Representative or other representative designated by the Union will notify the Employer of such alleged violation and attempt to resolve the matter informally. If the matter is not resolved or if the Employer refuses to meet in a reasonable and timely fashion with the Union's Representative to resolve the matter, said representative shall notify the Secretary of the Joint Arbitration Board and the Plumbing Contractors Association of Greater Chicago in writing of the existence of a dispute.

It shall be considered a violation of this Agreement for any plumbing contractor to intentionally omit backing supports for plumbing fixtures and accessories from an appropriate bid package. Further, any plumbing foreman or superintendent who knowingly refrains from directing journeymen or apprentices under his/her charge to install all backing and accessories related to a plumbing system shall be found in violation of this Agreement. Both the Employer and the employee may be summoned before the Joint Arbitration Board for appropriate action.

A plumbing contractor must submit with their initial proposal an appropriate bid in accordance with the above. If it is not accepted, there will be no action taken against the contractor or his employee by the Union.

**SECTION 3.5 Hearing.** After receipt of a notice of dispute under Section 3.3 or 3.4, above, of this Article, the Secretary of the Joint Arbitration Board shall send the Employer written notice of the date, time and place of a hearing before the Board with respect to the dispute, together with a copy of the written notice of the dispute. Such notice shall be provided no later than twenty-one (21) days before the scheduled date of the hearing. This said hearing notice shall include or be accompanied by a plainly stated explanation of the specific violations citing the contract sections and language that the Employer is being charged with, and shall clearly state that it is permissible for the Employer's attorney to be present at the JAB hearing and all related meetings at which the Employer is present. The Board members present at the hearing shall hear the evidence in the case and shall render a decision which it will issue in writing over the signature of the Secretary of the Board. Said decision shall be final and binding on the parties to this Agreement. The Secretary of the Board will make or direct the making of the official minutes or transcription of the hearing. No other recording of the hearing is permitted. The Employer must appear at the hearing. Appearance through an outside representative only does not constitute the Employer's appearance. If the Employer is unable to so appear at the date, time and place set forth in the notification of hearing, he shall promptly notify the Board's Secretary in writing of the reasons therefore and request a postponement. Such request for postponement must be received by the Secretary no later than the close of business of the seventh day before the time scheduled for the hearing. A request for a postponement will be granted only for good and sufficient reasons. No Employer will be granted more than one (1) postponement in the same case. If the Employer fails to appear at a scheduled hearing or at a hearing postponed to a later date at his request or if an Employer's request for postponement is not received by the Board's Secretary in the timely manner as set forth hereinabove or is denied, the Board members shall hear the case at the appointed time notwithstanding the Employer's failure to appear and shall decide the case upon the evidence before it in the same manner as set forth

hereinabove, which decision shall be final and binding on the parties to this Agreement. Any decision of the Joint Arbitration Board shall be issued in writing within thirty (30) days of the hearing or within thirty (30) days of any additional information requested by the Board.

**SECTION 3.6 Powers of the Joint Arbitration Board.** The Joint Arbitration Board shall have full power to enforce this Agreement against offending employees and/or Employers by appropriate penalties or remedies including, without limitation, fines, replacement of defective work without pay, or other appropriate sanctions. The Joint Arbitration Board has the power to assess attorney fees and costs. The Joint Arbitration Board shall have full power to summon Employers, the Union and employees covered by this Agreement against whom charges of violations have been preferred and to summon Employers and employees covered by this Agreement to testify in any manner before the Joint Arbitration Board. Such summons shall be served by registered or certified mail by the Secretary of the Joint Arbitration Board before which such dispute is pending. Such summons may compel the production of any document or the testimony of any witness which the Joint Arbitration Board deems relevant to the resolution of the case. Failure of the Employer or employees to respond when so summoned, except for valid reason, shall subject him or them to the payment of any cost incurred by the Joint Arbitration Board in connection with such failure to respond.

**SECTION 3.7 Indemnification of the Joint Arbitration Board.** The parties hereto agree that the members of the Joint Arbitration Board representing either or both of them in proceedings before such Joint Arbitration Board under the provisions of this Agreement shall be indemnified as Joint Arbitration Board members against judgment, court costs and attorney's fees incurred and/or paid by the Joint Arbitration Board members in defending any suit or legal proceeding brought against the Joint Arbitration Board members in their respective capacity to enforce any liability or alleged liability on account of any loss, claim or damage which, if established against the Joint Arbitration Board members, shall constitute a valid and collectible loss sustained by either appropriate party under the terms of this Agreement.

In the event of any other suit or action against a member or members of the Joint Arbitration Board for or on account of an act performed pursuant to the authority provided for in this Agreement, the Joint Arbitration Board may draw upon any funds which are in its hands or under its control subject to such rules and provisions as the Joint Arbitration Board may establish relating to the disposition of such funds.

In consideration of such indemnity, the Joint Arbitration Board members shall

promptly give notice to the Joint Arbitration Board, and the Union and the PCA of the institution of any such suit or legal proceeding. At the request of the Union or the PCA, the Joint Arbitration Board members shall furnish copies of all pleadings and other papers therein, and at the election of either the Union or the PCA shall permit either or both to conduct the defense of such suit or legal proceedings in the name of the Joint Arbitration Board by and through attorneys of their own selection. In the event of such election the named Joint Arbitration Board member or members shall give all reasonable information and assistance other than pecuniary which shall be deemed necessary to the proper defense of suit or legal proceeding.

Joint Arbitration Board members found guilty of fraudulent or illegal conduct shall not be indemnified under this Section.
