INITIATIVES AND REFERENDA

(SUMMARY)

Article 5, Section 1 of the Arkansas Constitution provides a process by which voters may propose statewide or local legislative measures or acts and statewide amendments to the Constitution. Such petitions are referred to as **initiative acts or measures**. The Arkansas Constitution also reserves to the people the right to call for a vote to approve or reject any act and any item of an appropriation bill or measure passed by the state legislature or a local government. These petitions are referred to as **referenda**.

INITIATIVES: An initiated measure proposes a state or local act or an amendment to the Arkansas Constitution. A statewide initiated act approved by a vote of the people creates a state statute that may be altered or repealed by the General Assembly by a two-thirds (2/3) vote. An initiated measure that proposes an amendment to the Arkansas Constitution may only be changed by another vote of the people (unless otherwise specified herein).

To place an initiated measure on the ballot, a sponsoring group must follow certain procedures. All initiated measures must meet filing requirements with the Secretary of State. Local initiatives for municipalities and counties have different requirements addressed in a later section (See page 54). In addition, all initiated measures must meet signature requirements.

An initiated measure for a state law must contain the signatures of qualified electors in the amount of eight percent (8%) of the total number of votes cast for the office of governor in the last preceding general election. An initiated measure for a constitutional amendment must contain signatures of qualified electors in the amount of ten percent (10%) of the total number of votes cast for the office of governor in the last preceding general election. Initiated measures may only be voted upon in a general election. To be placed on the ballot in a general election, a statewide initiated measure must be filed with the Secretary of State not less than four (4) months before the election and must be published at least thirty (30) calendar days before filing with Secretary of State. See the Deadlines section above for specific dates.

REFERENDA: A referendum petition refers an act passed by the state or local legislative body to a vote by the people for approval or rejection. A petition for a statewide referendum requires that the petition contain signatures of qualified electors in the amount of six percent (6%) of the total number of votes cast for the office of governor in the last preceding general election. Referendum petitions regarding state measures must be filed with the Secretary of State not later than ninety (90) days after the final adjournment of the session during which the act was passed. An exception occurs when a recess or adjournment is taken temporarily for a longer period than ninety (90) days, in which case

such petition shall be filed not later than ninety (90) days after such recess or temporary adjournment. Any measure referred to the people by referendum generally remains in abeyance until such vote is scheduled unless the act contains an emergency clause. Referenda on local measures have different requirements addressed in a later section. (See page 54).

SIGNATURES: A statewide initiative or referendum petition must meet minimum signature requirements to place a measure on the ballot. For a constitutional amendment, the petition must contain at least **90,704** signatures at the time of filing. For an initiated act, the petition must contain at least **72,563** signatures. For a referendum, the petition must contain at least **54,422** signatures at the time of filing.

In addition to the minimum number of signatures, the petition, at the time of filing, must contain the signatures of qualified electors from at least fifty (50) counties in the state. This requirement has historically been interpreted as requiring that each of these fifty (50) counties' petitions must contain the signatures of not less than one half of the designated percentage of the electors from that county (1/2 of 10% = 5% for a constitutional amendment; and 1/2 of 8% = 4% for an act; 1/2 of 6% = 3% for a referendum). In other words, if one thousand (1000) people voted for governor in a particular county in the most recent general election and the petition is for a constitutional amendment, 5% (half of the designated 10%) would be fifty (50) qualified electors. See the chart attached below on pages 64-65.

PROCEDURES

NOTE 1 – Additional changes were made to the law regarding initiatives and referenda in the 94th General Assembly of 2023. See Act 194 of 2023, Act 236 of 2023, and Act 766 of 2023. The language added by the new legislation is underlined and the old language is stricken in the statutes set out below.

NOTE 2 – At the time this publication was revised, litigation was ongoing concerning Act 236 of 2023.

DEFINITIONS

The following terms are used throughout the initiative and referendum process. Knowing their definitions will aid in understanding the process.

Measure: The word 'measure' as used herein, includes any bill, law, resolution, ordinance, charter, constitutional amendment or legislative proposal or enactment of any character.

Canvasser: A person who circulates the petition and seeks the signatures of Petitioners. The Canvasser must sign the affidavit included on the petition under oath in the presence of a notary public. The Canvasser must also provide appropriate identification documents to the notary public, unless the notary public knows the Canvasser. The Canvasser does

not have to be a registered voter, but the canvasser must be an Arkansas resident and at least eighteen (18) years of age and a U.S. citizen.

Paid Canvasser: A person who is paid money or anything of value for soliciting or obtaining signatures on a petition. See more information for Paid Canvassers on page 10.

Petition Part: A petition signature sheet and all accompanying required elements, including, but not limited to the following: Attorney General Instructions to Canvassers, Popular Name, Ballot Title, complete text of the Measure, Petitioners' oath, Petitioners' information and signatures, and Canvasser's Oath.

Petitioner: The person who signs an initiative or referendum petition requesting that the measure be placed on the ballot. Petitioner must be a qualified elector (legal voter) at the time he or she signs the petition.

Qualified Elector or Legal Voter: A Qualified Elector is a person who is legally registered to vote in Arkansas. A Legal Voter is a Qualified Elector and vice-versa.¹

Sponsor: A Sponsor is the person responsible for the petition who either arranges for the circulation of the petition, files the petition with the elected official responsible for verifying the signatures, or both. For statewide initiatives, the Sponsor is responsible for publication of the measure at least thirty (30) days before the time period (four months before the general election) for filing the petition with the Secretary of State. The Sponsor is also responsible for payment of the additional cost of publication of the measure before the election under Ark. Code Ann. § 7-9-113. See also - Responsibilities of a Sponsor beginning on page 10.

Paid Petition Blocker: A person who is paid or with whom there is an agreement to pay money or anything of value in exchange for interfering with a paid canvasser's attempt to solicit or obtain a signature on a petition or a paid canvasser's solicitation of a signature on a petition.

Petition-Blocking Sponsor: A person, entity, or person affiliated with an entity, who pays or who makes an agreement to pay money or anything of value in exchange for interfering with a paid canvasser's attempt to solicit or obtain a signature on a petition or a paid canvasser's solicitation of a signature on a petition.

PROCESS FOR STATEWIDE PETITIONS

The following outline provides a general guideline for **statewide** measures:

1. A petition Sponsor or group who receives contributions or makes expenditures in excess of five-hundred dollars (\$500) for purposes of expressly advocating the passage or defeat of an initiative measure must file a statement of organization as a Ballot Question Committee with the Arkansas Ethics Commission. A petition Sponsor or group who receives contributions or makes expenditures in excess of five-hundred dollars (\$500) for

¹ Only the County Clerk can register voters. Having a person complete a voter registration application does not register the person to vote. A person who completes an application should not be allowed to sign a petition until after the County Clerk registers the voter (i.e., completes the registration process in the Clerk's Office.)

purposes of expressly advocating the passage or defeat of a referendum must file a statement of organization as a Legislative Question Committee. Ballot Question Committees and Legislative Question Committees must also file financial reports directly with the Ethics Commission every month. Financial reports must also be filed by an individual spending his or her own personal funds. A copy of the Statement of Organization can be found at the end of this handbook beginning on page 60. Please visit the Ethics Commission's website at www.arkansasethics.com for a copy of the current forms required to be filed by a Ballot Question Committee or Legislative Question Committee. Forms are also available by contacting the Arkansas Ethics Commission at (501) 324-9600 or (800) 422-7773.

2. Prior to circulating the petition and gathering signatures, a Sponsor of a statewide initiative or referendum petition must submit the proposal to the Arkansas Attorney General. The full text of the measure along with a proposed popular name and ballot title must be submitted. The Attorney General will issue an opinion on the popular name and ballot title. If rejected, the Sponsor can amend and resubmit to the Attorney General.

3. After the Attorney General approves the popular name and ballot title, a Sponsor of a statewide initiative or referendum petition must file a copy of the petition as it will be circulated with the Secretary of State. This filing must include all of the requirements of a full petition part. Please see number 4 below. The Secretary of State will return a file-marked copy of this original draft to the Sponsor, at which point the Sponsor may begin circulating the petition.

4. At least thirty (30) days prior to filing the petition signatures with the Secretary of State, the measure must be published at the Sponsor's expense in a newspaper with statewide circulation. Proof of publication must accompany submission of the petition signatures to the Secretary of State at the time of submission.

5. Each Petition Part that is circulated must contain the following information: Canvasser's Instructions provided by the Attorney General; Popular Name, Ballot Title, and full text of the measure; Petitioner's oath requesting that the measure be placed on the ballot; signature page(s); and Canvasser's affidavit which must be signed in the presence of a notary public and properly notarized.

6. The Canvasser Instructions must be in bold type and attached to a statewide petition under the signature of the Attorney General. The font size for the instructions on penalties shall be larger than the font size for other instructions (see Ark. Code Ann. § 7-9-108(c)).

7. The signature portion of an initiative or referendum petition shall be formatted and contain the number of signature lines prescribed by the Secretary of State.

8. The signature page of the petition should be in landscape orientation, on legal size paper, and the lines should be wide enough to allow the Petitioner sufficient space to print the required information with a maximum of ten (10) signature lines per page (see page 68 for an example). The signature page should include spaces for the Petitioner's signature, printed name, address, birth date, county of residence, and date of signing in the Petitioner's own handwriting. If the Petitioner requires assistance due to disability, another person may print the name, address, birth date and date of signing for the Petitioner;

however, the person assisting must sign and print his/her own name in the margin of the petition. Although not required by statute, it is preferred that the Petitioner identify the county in which he or she is registered to vote.

9. Each petition must contain an affidavit signed by the Canvasser in front of a notary public. The affidavit must contain and attest to the following information:
- a. Each Petitioner signed the petition in the presence of the Canvasser;
 - b. A statement that to the best of his/her knowledge and belief, the Canvasser believes that each signature is genuine;
 - c. A statement that to the best of his/her knowledge and belief, the Canvasser believes each signer is a registered voter;
 - d. A statement that at all times during circulation, an exact copy of the popular name, ballot title and text was attached to the signature sheet;
 - e. The Canvasser's current residence; and
 - f. Whether the Canvasser is a Paid Canvasser or Volunteer/Unpaid Canvasser.

10. Each petition page with the Canvasser's affidavit must be notarized. Because this type of notarization is an oath and due to statutory requirements in Initiative and Referendum law, it is necessary for the Canvasser to appear personally before the notary to sign the oath. The notary must personally witness the Canvasser's signature. The notary must also personally know the Canvasser, or obtain proof of the identity of the Canvasser, prior to notarization (Ark. Code Ann. § 7-9-103(c) (8)). The notary must be a current notary in good standing and the notary seal must be placed on the petition page. The notary seal must be legible and use blue or black ink so that it is visible when photocopied. To determine if a notary is in good standing, please review the notary database on the Secretary of State's webpage at <http://bcs.sos.arkansas.gov/NotarySearch>.

11. If the Sponsor intends to use Paid Canvassers, a complete list of the Paid Canvassers' names and residential addresses, as well as the a copy of the signed statement described in Ark. Code Ann. § 7-9-601(d)(3), must be submitted to the Secretary of State's Office before those Canvassers begin collecting signatures. If additional Paid Canvassers are added after the initial list is submitted to the Secretary of State, an updated list and the necessary signed statements must be provided to the Secretary of State prior to those Paid Canvassers collecting signatures. Certification that each Paid Canvasser passed a criminal history and criminal record search in the thirty (30) days before the first submission of the name to the Secretary of State is also required each time names are submitted. "Passing" a criminal history and record search means that the Paid Canvasser was not found to have any disqualifying offenses on record. There are also specific training and registration requirements for Paid Canvassers which are described herein beginning on page 10.

Upon obtaining a current state criminal history and record search as required by A.C.A. 7-6-01(b), the Sponsor must certify to the Secretary of State that each paid canvasser has no disqualifying offenses in accordance with the section regarding criminal background checks. Although submission of the actual background checks is not required, a Sponsor shall bear the burden of proving that the paid canvasser does not have a disqualifying offense and shall maintain the information required for each paid canvasser for three (3) years after the general election.

12. To be placed on the November 2024 General Election ballot, statewide initiatives (constitutional amendments and initiated acts) must first be published and then filed with the requisite number of signatures and proof of publication with the Secretary of State by Friday, July 5, 2024. The deadline for filing a referendum petition with the requisite number of signatures is ninety (90) days after the earlier date of; (1) final adjournment of the session in which the Act being referred was passed; or (2) a temporary recess or adjournment for a longer period than ninety (90) days of the session in which the Act being referred was passed.

13. When the petition with signatures is filed with the Secretary of State:

- a. The Petition Parts must be separated by county.
- b. The Sponsor must file an affidavit stating the total number of Petition Parts and the total number of signatures being filed.
- c. The Sponsor must provide the list of the designated fifty (50) counties.
- d. If the Sponsor used Paid Canvassers, the Sponsor must submit an affidavit which identifies the Paid Canvassers by name; states that the Sponsor provided a copy of the most recent edition of the Secretary of State's initiatives and referenda handbook to each Paid Canvasser prior to the Canvasser's gathering signatures; indicates that the Sponsor explained the requirements under Arkansas law for obtaining signatures to each Paid Canvasser prior to the Canvasser's gathering signatures; and certifies that the Paid Canvasser passed a criminal history and criminal record search within thirty (30) days before first gathering signatures
- e. If the Sponsor used Paid Canvassers, a separate Signature Card is required for each Paid Canvasser. An example of a sufficient Signature Card can be found on page 69.

14. At the time of filing, the petition must contain the requisite number of signatures, or the petition will be determined to be facially invalid and rejected without the verification of any signatures. In other words, an initiated amendment petition must contain at least 90,704 signatures (also referred to as the initial count) **and** the required minimum numbers from each of at least fifty (50) counties, or it will be rejected without the verification of any signatures. An initiated act petition must contain at least 72,563 signatures and the required numbers from each of at least fifty (50) counties. A referendum petition must contain a minimum of 54,422 signatures and the required numbers from each of at least fifty (50) counties. See pages 64-65 for exact county numbers.

At the time of updating this publication, there is pending litigation concerning Act 236 of 2023, which changes the required minimum number of counties from fifteen (15) to fifty (50), amongst other various changes to the law.

15. Before counting the signatures to determine the initial count, the Secretary of State will review each Petition Part for errors and will reject any Petition Part (and all of the signatures on the Petition Part) that contains one or more of the errors listed in Ark. Code Ann. § 7-9-126 (b).

None of the signatures on any of the Petition Parts rejected by the Secretary of State shall be counted for any purpose, including the initial count and the determination as to whether the Sponsor submitted sufficient signatures from the fifteen (15) designated counties.

16. For the remaining Petition Parts, the Secretary of State reviews each part and rejects or culls any individual signature that contains one or more of the errors listed in Ark. Code Ann. § 7-9-126.

None of the signatures that have been rejected or culled for any of the above reasons shall be counted by the Secretary of State for any purpose, including the initial count and the determination as to whether the Sponsor submitted sufficient signatures from the fifty (50) designated counties.

17. After all of the Petition Parts and signatures have been culled due to the reasons listed in paragraphs 15 and 16 above, the remaining signatures shall be counted to determine whether the Sponsor submitted sufficient signatures to meet the initial count requirement and the fifty (50) designated county requirement. If the Sponsor submitted a sufficient number of signatures, then the petition shall be accepted and the signature verification process shall begin.

If the petition does not contain the requisite number of signatures in the initial count or the requisite number of signatures in the designated fifty (50) counties, the petition shall be determined to be facially invalid and rejected without the verification of any signatures.

18. The Secretary of State will not accept additional signatures after the initial submission until a determination of sufficiency is made.

19. If a petition is submitted for signature verification that fails to contain the requisite number of valid signatures of registered voters, the Secretary of State, or the appropriate local official, will advise the Sponsor of the deficiency.

The Sponsor may submit additional signatures **IF** the initial submission of a statewide measure contains valid signatures of registered voters equal to at least:

1. Seventy-five percent (75%) of the required number of overall state-wide signatures; **AND**
2. Seventy-five percent (75%) of the required number from at least fifty (50) counties.

Within thirty (30) days of notification of the insufficiency, the Sponsor may do either or both of the following:

1. Solicit and obtain additional signatures; or
2. Submit proof that all or some of the rejected signatures are valid and should be counted.

As an example, a petition proposing an amendment to the Arkansas Constitution must contain at the time of filing at least 90,704 signatures. After verification of signatures, at least seventy-five percent (75%) (i.e., 68,028) of those signatures must be by registered voters for the Sponsor to be eligible to submit additional signatures. In addition, the valid signatures must meet the seventy-five percent (75%) threshold from at least fifty (50) counties around the state.

In the event of an insufficiency of a municipal or county petition, the Sponsor shall have ten (10) days for correction or amendment (see Ark. Const. Article 5 § 1).

20. The Secretary of State will verify signatures in excess of the required number, but due to time constraints and statutory deadlines, may not verify every signature after a determination that the Petition is sufficient.

21. After a measure qualifies for the ballot, Sponsors must reimburse the Arkansas Secretary of State for the costs of publishing the measure as a ballot issue within thirty (30) calendar days of being notified of the final costs of publication.

PAID CANVASSERS

Both the Sponsor and the Paid Canvasser have specific responsibilities and should consult with their own legal counsel regarding how to comply with Arkansas Law.

RESPONSIBILITIES OF THE PAID CANVASSER:

A person who would like to be a **Paid Canvasser** must submit, in person or by mail, the following information to the **Sponsor** prior to obtaining signatures on a petition:

1. Canvasser's full name and any assumed name(s);
2. Canvasser's current residential address (P.O. boxes and business addresses are NOT sufficient) and permanent domicile address if different;
3. An agreement to have a criminal background and criminal records search for each petition within thirty (30) days before gathering signatures on that petition;
4. A statement signed under oath that the Canvasser has not pleaded guilty or nolo contendere or been found guilty of a criminal felony offense or a violation of election laws, fraud, forgery, or identification theft in any state, the District of Columbia, Puerto Rico, Guam or any other US protectorate;
5. A signed statement that the Canvasser has read and understands the applicable Arkansas law regarding obtaining signatures on an initiative or referendum petition; and
6. A signed statement that the Canvasser has received a copy of the most recent edition of the Secretary of State's handbook on initiatives and referenda from the Sponsor.

RESPONSIBILITIES OF THE SPONSOR:

If a Sponsor utilizes **Paid Canvassers**, the Sponsor must complete the following steps **before** allowing a Paid Canvasser to obtain any signatures on a petition:

1. Provide the Paid Canvasser with a copy of the most recent edition of the Secretary of State's Initiative and Referendum Handbook, which is available online at <https://www.sos.arkansas.gov/elections/initiatives-and-referenda/>.
2. Explain the Arkansas law applicable to obtaining signatures on an initiative or referendum petition to the Paid Canvasser;

3. Obtain, at Sponsor's cost, from the Department of Arkansas State Police, a current state criminal history and criminal record search on every Paid Canvasser within the thirty (30) days immediately preceding the first day the Paid Canvasser begins to collect signatures. Each submission of the list of Paid Canvassers submitted to the Secretary of State must contain certification that the criminal history and criminal record search was conducted within the time required by law.
 - a. The criminal history and criminal record search on each Paid Canvasser must not indicate an open or pending criminal charge that constitutes a disqualifying offense. Disqualifying offenses include:
 - i. A felony;
 - ii. A violation of the election laws;
 - iii. Fraud;
 - iv. Forgery;
 - v. Counterfeiting;
 - vi. Identity theft;
 - vii. A crime of violence, including assault, battery, or intimidation;
 - viii. Harassment;
 - ix. Terroristic threatening;
 - x. A sex offense, including sexual harassment;
 - xi. A violation of the drug and narcotics laws;
 - xii. Breaking and entering;
 - xiii. Trespass;
 - xiv. Destruction or damage or property;
 - xv. Vandalism;
 - xvi. Arson; or
 - xvii. A crime of theft, including robbery, burglary, and simple theft or larceny.
4. Obtain the required information and documentation from the Paid Canvasser as provided under Ark. Code Ann. § 7-9-601(d). This information must be kept by the Sponsor for three (3) years after the general election in which the measure appears on the ballot.
5. Provide a complete list of all Paid Canvassers' names and current residential addresses (P.O. boxes and business addresses are NOT sufficient), as well as a copy of the signed statement submitted to the sponsor by the Canvasser pursuant to Ark. Code Ann. § 7-9-601(d) (3), to the Secretary of State prior to allowing the Paid Canvasser to circulate a petition and gather any signatures. The Sponsor must provide an updated list of any additional Paid Canvassers not on the initial list prior to allowing the additional Paid Canvassers to circulate a petition and gather any signatures.
6. The list of Paid Canvassers must contain the following information: Paid Canvassers' name (first and last name), current residential address, the date that the name was initially submitted to the Secretary of State's Office, and a certification that a criminal history and criminal record search was timely completed for each Paid Canvasser. If the Sponsor submits supplemental list(s) of Paid

Canvassers, each supplemental list must be a COMPLETE list with the names and addresses of ALL Paid Canvassers including those previously submitted, with the criminal history and criminal record search certifications for each Paid Canvasser. Please note that the date the name was initially submitted to the Secretary of State should NOT change.

- a. For example, on February 1, the Sponsor may submit a list of ten (10) Paid Canvassers. On February 15, the Sponsor may submit a supplemental list with 15 Paid Canvassers, five of whom are new. The date submitted for the original ten (10) Paid Canvassers should still be listed as February 1 and the date submitted for the additional five Paid Canvassers should be February 15.
- b. The list of Paid Canvassers may be submitted in person, by mail, by fax or by email. Ark. Code Ann. § 7-9-601 states that “before a signature is solicited by a paid canvasser the sponsor shall . . . provide a complete list of all paid canvassers’ names and current residential addresses to the Secretary of State.”
 - i. Please note that the Secretary of State’s Office can only verify receipt during normal business hours. If the list is transmitted electronically after hours, on a weekend or on a holiday, the Secretary of State’s Office will confirm receipt as soon as possible. Because the Secretary of State’s Office cannot determine how a court may interpret this section of the law, the Sponsor assumes the risk concerning submission of a list after regular work hours, on a weekend or on a holiday.
 - ii. The list of Paid Canvassers may be sent by email to electionsemail@sos.arkansas.gov.

LIST OF PAID CANVASSERS PROVIDED WHEN FILING PETITION SIGNATURES

1. When filing the petition (with signatures) with the Secretary of State the Sponsor must submit a statement which identifies the Paid Canvassers by name, indicates that the Sponsor provided a copy of the most recent edition of the Secretary of State’s initiatives and referenda handbook to each Paid Canvasser prior to the Canvasser gathering signatures, and indicates that the Sponsor explained the requirements under Arkansas law for obtaining signatures to each Paid Canvasser prior to the Canvasser gathering signatures. **The sponsor is also responsible for certifying that each Paid Canvasser has passed a criminal history and criminal record search in the thirty (30) days immediately before the Paid Canvasser begins to collect signatures.**
2. The Sponsor may provide an electronic copy of the Paid Canvassers’ list in either Excel or PDF format.
 - a. If an Excel document is provided, the Paid Canvasser’s first name, last name, and the date the name was initially submitted to the Secretary of State’s Office should each be listed in separate fields. This will allow the Secretary of State’s Office to sort information multiple ways to help facilitate the petition intake and review process.

- b. If a PDF is provided, three PDF versions of the list should be provided with the information for the Paid Canvassers sorted three (3) ways:
 - i. By last name;
 - ii. By first name;
 - iii. By date of name being first submitted to Secretary of State (earliest to latest)

OR

The Sponsor may file three (3) paper copies of the list with the information for the Paid Canvassers sorted three (3) ways:

- a. By last name;
 - b. By first name;
 - c. By date of name being first submitted to Secretary of State (earliest to latest)
3. The Sponsor must also submit a signature card for each Paid Canvasser at the time of filing the petition. An example of a sufficient signature card is on page 69 of this book.

PAID PETITION BLOCKERS

Act 766 of 2023 established a regulatory process in regards to Paid Petition Blockers.

Both the Petition-Blocking Sponsor and the Paid Petition Blocker have specific responsibilities and should consult with their own legal counsel regarding how to comply with Arkansas Law.

RESPONSIBILITIES OF THE PAID PETITION BLOCKER:

Before acting as a Paid Petition Blocker, the prospective Paid Petition Blocker shall:

1. Be a citizen of the United States; and
2. Be a resident of the State of Arkansas; and
3. Submit in person or by mail to the Petition-Blocking Sponsor:
 - a. Their full name and any assumed name;

RESPONSIBILITIES OF THE PETITION-BLOCKING SPONSOR:

1. A Petition-Blocking Sponsor is required to provide a complete list of all Paid Petition Blockers' names and current residential addresses to the Secretary of State.
2. If additional Paid Petition Blockers are hired, the Sponsor shall provide an updated list to the Secretary of State.

3. Upon submission of the Sponsor's list, the Sponsor shall certify that each Paid Petition Blocker has no disqualifying offenses in accordance with current law.

INTERFERENCE WITH INITIATIVE PETITIONS AND PROPOSED MEASURES:

Act 766 of 2023 also imposes certain consequences for improperly interfering with the petition circulation process.

Upon conviction, a person commits a Class A misdemeanor if the person knowingly:

1. Changes a signature other than his or her own signature on a petition;
2. Erases or otherwise removes a signature other than his or her signature on a petition;
3. Intentionally destroys or discards a signature other than his or her own signature on a petition;
4. Pays a person any form of compensation in exchange for not signing a petition as a petitioner;

5. Accepts or pays money or anything of value for the purpose of not obtaining signatures on a petition when the person is included on the sponsor's list filed with the Secretary of State under § 7-9-601;
6. Misrepresents the purpose and effect of the petition or the measure affected for the purpose of causing a person to not sign a petition when acting as a canvasser; and
7. Pays a person any form of compensation in exchange for destroying a signature on a petition.

FREQUENTLY ASKED QUESTIONS

1) Why would a signature be invalidated?

The Secretary of State conducts a reasonable review of each Petition Part. The following are some common reasons why individual signatures may be invalidated:

- a. Petitioner was not a registered voter at the time of signing Petition Part;
- b. Handwriting is illegible;
- c. Signature is illegible;
- d. Signature is not accompanied by personally identifying information;
- e. No signature or verification of a mark is provided;
- f. The signature is a forgery;
- g. Identifying information was written by a person other than the Petitioner, except in circumstances of disability;
- h. Petitioner did not sign in the presence of the Canvasser (may be alleged by a challenger in litigation);
- i. A signature was obtained before the filing of the original draft for circulation under Ark. Code Ann. § 7-9-107.
- j. Paid Canvasser was compensated on a per-signature basis.

It is important that each signature be accompanied by as much information as possible for identification and verification as a registered voter. The date of birth is one of the most helpful identifiers.

2) What are examples of errors or omissions that will cause an entire page of petition signatures to be invalidated?

- a. Page is a photocopy, not the original;
- b. Page is not signed under oath by a Canvasser;
- c. Page lists no address for the Canvasser;
- d. The residence address provided for the Canvasser is a P.O. box or business address;
- e. A Petition Part is signed by more than one (1) Canvasser;
- f. Canvasser's verification is dated earlier than the date the petition was signed by a Petitioner;
- g. Paid Canvasser collected signatures before criminal history and criminal record search was certified to Secretary of State;
- h. Paid Canvasser collected signatures before appearing on Paid Canvasser list submitted to Secretary of State;

- i. Paid Canvasser collected signatures before a copy of the signed statement required by Ark. Code Ann. § 7-9-601(d) was filed with the Secretary of State;
- j. Page is not notarized;
- k. Page is lacking a notary seal;
- l. Notary seal or notary signature is illegible;
- m. It is facially apparent that notary did not personally see the Canvasser sign the Petition Part;
- n. It is facially apparent that notary did not know or personally obtain proof of the identity of the Canvasser;
- o. A Petition Part is notarized by more than one (1) notary;
- p. Notary or Canvasser signature is forged;
- q. Notary notarized his or her own signature;
- r. Notary used the Great Seal of Arkansas or other invalid Notary Seal;
- s. Legible copy of the entire text of the measure has not been attached to each petition sheet containing signatures; or
- t. Popular name and ballot title have not been attached to each petition sheet containing signatures;
- u. If litigated, a challenger may allege that the Canvasser failed to sign the affidavit in the presence of the notary even if not facially apparent; and
- v. If litigated, a challenger may allege that the affidavit of the Canvasser is false.

3) Do Petition Parts have to be submitted by county?

Yes. Petition Parts containing signatures of registered voters from one county must be submitted together and separated from Petition Parts containing signatures of registered voters from other counties.

Determining whether a Petitioner has signed the correct petition is not always obvious. Many cities cross county boundaries. As an example, Springdale is in both Washington and Benton Counties. Also, Petitioners may have a mailing address in one county but physically reside in another county. A voter who physically resides in Saline County would be registered to vote in Saline County; however, because that voter collects his or her mail at a Pulaski county post office, he or she may list the Pulaski County mailing address instead of his or her residential address. This mistake occurs frequently with voters whose homes are near a county border.

When circulating the petition, Canvassers should confirm the county in which the Petitioner is registered to vote, have the Petitioner sign a petition from the correct county, and have the Petitioner write his or her county of residence on the Petition Part. After the signature has been obtained, the Sponsor can check whether the Petitioner signed the correct county petition by finding the Petitioner's name on the list of registered voters for that county.

4) What is considered a public forum to circulate petitions? Where can I circulate petitions?

Not all public buildings are public forums that allow access for signature gathering. The right to use government property for soliciting signatures depends upon whether the property by law or tradition has been given the status of a public forum (property that has been reserved for specific official purposes). In other words, a government building may have a non-solicitation policy, which could preclude signature gathering. A Sponsor should check with each agency to determine the policy for each agency. Even if a public building is considered a public forum, the government may still implement reasonable time, place and manner restrictions for gathering signatures. It is always advisable to consult with legal counsel before undertaking any effort to gather signatures.

A private property owner will have his or her own policies regarding solicitation.

When gathering signatures near a polling site a Canvasser must remain at least one hundred (100) feet from the polling site entrance. Local election officials monitor this distance. Violation of this law is a Class A misdemeanor pursuant to Ark. Code Ann. § 7-1-103.

5) Does a Canvasser have to be a registered voter to circulate a petition in Arkansas?

No. A Canvasser does not have to be a registered voter, but he or she must be at least eighteen (18) years of age.

6) Do you have to be an Arkansas resident to circulate a petition?

Yes, per Ark. Code Ann. § 7-9-103.

7) May Canvassers be paid in Arkansas?

Yes. However, Paid Canvassers cannot receive or agree to receive payment on a basis related to the number of signatures obtained. Please see page 10 for special instructions regarding Paid Canvassers, including mandatory criminal history and criminal record searches.

8) How should a petition be delivered to the Secretary of State's Office?

Statewide Petitions should be delivered to the Elections Division of the Secretary of State's Office in Room 026 of the State Capitol, or at another location if agreed upon by the Elections Division and the Sponsor. In order to obtain timely assistance, please contact the Elections Division several days in advance of filing. The Petition Parts must be separated and filed by county. The Sponsor must file a statement indicating the fifty (50) designated counties. The Sponsor must also file an affidavit stating the number of Petition Parts and the total number of signatures being filed.

If the Sponsor used Paid Canvassers, the Sponsor must also submit the following at the time of delivery:

1. A statement identifying the Paid Canvassers who have passed criminal history and criminal record searches by name, with the date the Canvasser's name was first submitted to the Secretary of State;
2. A statement, signed by the Sponsor, indicating that the Sponsor provided a copy of the most recent edition of the Secretary of State's initiatives and referenda handbook to each Paid Canvasser, and that the Sponsor explained the requirements under Arkansas law for obtaining signatures to each Paid Canvasser prior to the Canvasser gathering signatures; and
3. A signature card for each paid canvasser. (See example signature card on page 69.)

9) Can a Petition Part be turned in with only one signature?

Yes.

10) May the Sponsor submit additional signatures if the Secretary of State determines, after verification, that a statewide petition does not contain enough valid signatures?

At the time of filing, the petition must contain, on its face, the requisite number of signatures or it will be determined to be facially invalid and rejected without verifying any signatures. An initiated amendment petition must contain at least 90,704 signatures and the required numbers from at least fifty (50) counties or it will be rejected without verifying any signatures. An initiated act petition must contain at least 72,563 signatures and the required numbers from each of at least fifty (50) counties; and a referendum petition must contain at least 54,422 signatures and the required numbers from at least fifty (50) counties, or it will be rejected without verifying any signatures. (The process for determining if the petition contains sufficient signatures at the time of filing is described on pages 5-10 of this handbook).

If the petition does not contain the requisite number of signatures (including the required number from the fifty (50) designated counties) at the time of filing, the Sponsor is NOT permitted to submit more signatures.

Sponsors may only submit more signatures if the petition was facially valid, and the number of verified signatures exceeds seventy-five percent (75%) of the required statewide total, with at least fifty (50) counties meeting or exceeding the seventy-five percent (75%) minimum as well.

11) What happens if two conflicting measures pass?

If directly conflicting measures are approved at the same election, the one receiving the highest number of affirmative votes shall become law. See Ark. Code Ann. § 7-9-122.

12) What County should be used in a Canvasser's oath at the bottom of each Petition Part?

The blank line for “County” is the County in which the notary public is standing when the notary public personally witnesses the signature of the Canvasser when the Canvasser signs the oath at the bottom of the individual Petition Part, even if that is not the County where the notary resides. There is a separate line for the notary public’s county of residence.

COMPLETE TEXT OF **ARKANSAS CONSTITUTION, ARTICLE 5, SECTION 1**

§ 1. Initiative and Referendum.

The legislative power of the people of this State shall be vested in a General Assembly, which shall consist of the Senate and House of Representatives, but the people reserve to themselves the power to propose legislative measures, laws and amendments to the Constitution, and to enact or reject the same at the polls independent of the General Assembly; and also reserve the power, at their own option to approve or reject at the polls any entire act or any item of an appropriation bill.

Initiative. The first power reserved by the people is the initiative. Eight per cent of the legal voters may propose any law and ten per cent may propose a constitutional amendment by initiative petition and every such petition shall include the full text of the measure so proposed. Initiative petitions for state-wide measures shall be filed with the Secretary of State not less than four months before the election at which they are to be voted upon; provided, that at least thirty days before the aforementioned filing, the proposed measure shall have been published once, at the expense of the petitioners, in some paper of general circulation.

Referendum. The second power reserved by the people is the referendum, and any number not less than six per cent of the legal voters may, by petition, order the referendum against any general Act, or any item of an appropriation bill, or measure passed by the General Assembly, but the filing of a referendum petition against one or more items, sections or parts of any such act or measure shall not delay the remainder from becoming operative. Such petition shall be filed with the Secretary of State not later than ninety days after the final adjournment of the session at which such Act was passed, except when a recess or adjournment shall be taken temporarily for a longer period than ninety days, in which case such petition shall be filed not later than ninety days after such recess or temporary adjournment. Any measure referred to the people by referendum petition shall remain in abeyance until such vote is taken. The total number of votes cast for the office of Governor in the last preceding general election shall be the basis upon which the number of signatures of legal voters upon state-wide initiative and referendum petitions shall be computed.

Upon all initiative or referendum petitions provided for in any of the sections of this article, it shall be necessary to file from at least fifteen of the counties of the State, petitions bearing the signature of not less than one-half of the designated percentage of the electors of such county.

Emergency. If it shall be necessary for the preservation of the public peace, health and safety that a measure shall become effective without delay, such necessity shall be stated in one section, and if upon a yea and nay vote two-thirds of all the members elected to each house, or two-thirds of all the members elected to city or town councils, shall vote upon separate roll call in favor of the measure going into immediate operation, such emergency measure shall become effective without delay. It shall be necessary, however, to state the fact which constitutes such emergency. Provided, however, that an emergency shall not be declared on any franchise or special privilege or act creating any vested right or interest or alienating any property of the State. If a referendum is filed against any emergency measure such measure shall be a law until it is voted upon by the people, and if it is then rejected by a majority of the electors voting thereon, it shall be thereby repealed. The provision of this sub-section shall apply to city or town councils.

Local for Municipalities and Counties. The initiative and referendum powers of the people are hereby further reserved to the legal voters of each municipality and county as to all local, special and municipal legislation of every character in and for their respective municipalities and counties, but no local legislation shall be enacted contrary to the Constitution or any general law of the State, and any general law shall have the effect of repealing any local legislation which is in conflict therewith.

Municipalities may provide for the exercise of the initiative and referendum as to their local legislation. General laws shall be enacted providing for the exercise of the initiative and referendum as to counties. Fifteen per cent (15%) of the legal voters of any municipality or county may order the referendum, or invoke the initiative upon any local measure. In municipalities the number of signatures required upon any petition shall be computed upon the total vote cast for the office of mayor at the last preceding general election; in counties upon the office of circuit clerk. In municipalities and counties the time for filing an initiative petition shall not be fixed at less than sixty (60) days nor more than ninety (90) days before the election at which it is to be voted upon; for a referendum petition at not less than thirty (30) days nor more than ninety (90) days after the passage of such measure by a municipal council; nor less than ninety (90) days when filed against a local or special measure passed by the General Assembly.

Every extension, enlargement, grant, or conveyance of a franchise or any rights, property, easement, lease, or occupation of or in any road, street, alley or any part thereof in real property or interest in real property owned by municipalities, exceeding in value three hundred dollars, whether the same be by statute, ordinance, resolution, or otherwise, shall be subject to referendum and shall not be subject to emergency legislation.

General Provisions

Definition. The word "measure" as used herein includes any bill, law, resolution, ordinance, charter, constitutional amendment or legislative proposal or enactment of any character.

No Veto. The veto power of the Governor or mayor shall not extend to measures initiated by or referred to the people.

Amendment and Repeal. No measure approved by a vote of the people shall be amended or repealed by the General Assembly or by any city council, except upon a ye and nay vote on roll call of two-thirds of all the members elected to each house of the General Assembly, or of the city council, as the case may be.

Election. All measures initiated by the people whether for the State, county, city or town, shall be submitted only at the regular elections, either State, congressional or municipal, but referendum petitions may be referred to the people at special elections to be called by the proper official, and such special elections shall be called when fifteen per cent of the legal voters shall petition for such special election, and if the referendum is invoked as to any measure passed by a city or town council, such city or town council may order a special election.

Majority. Any measure submitted to the people as herein provided shall take effect and become a law when approved by a majority of the votes cast upon such measure, and not otherwise, and shall not be required to receive a majority of the electors voting at such election. Such measures shall be operative on and after the thirtieth day after the election at which it is approved, unless otherwise specified in the Act.

This section shall not be construed to deprive any member of the General Assembly of the right to introduce any measure, but no measure shall be submitted to the people by the General Assembly, except a proposed constitutional amendment or amendments as provided for in this Constitution.

Canvass and Declaration of Results. The result of the vote upon any State measure shall be canvassed and declared by the State Board of Election Commissioners (or legal substitute therefor); upon a municipal or county measure, by the county election commissioners (or legal substitute therefor).

Conflicting Measures. If conflicting measures initiated or referred to the people shall be approved by a majority of the votes severally cast for and against the same at the same election, the one receiving the highest number of affirmative votes shall become law.

The Petition

Title. At the time of filing petitions the exact title to be used on the ballot shall by the petitioners be submitted with the petition, and on state-wide measures, shall be submitted to the State Board of Election Commissioners, who shall certify such title to the Secretary of State, to be placed upon the ballot; on county and municipal measures such title shall be submitted to the county election board and shall by said board be placed upon the ballot in such county or municipal election.

Limitation. No limitation shall be placed upon the number of constitutional amendments, laws, or other measures which may be proposed and submitted to the people by either initiative or referendum petition as provided in this section. No petition shall be held invalid if it shall contain a greater number of signatures than required herein.

Verification. Only legal votes shall be counted upon petitions. Petitions may be circulated and presented in parts, but each part of any petition shall have attached thereto the

affidavit of the person circulating the same, that all signatures thereon were made in the presence of the affiant, and that to the best of the affiant's knowledge and belief each signature is genuine, and that the person signing is a legal voter and no other affidavit or verification shall be required to establish the genuineness of such signatures.

Sufficiency. The sufficiency of all state-wide petitions shall be decided in the first instance by the Secretary of State, subject to review by the Supreme Court of the State, which shall have original and exclusive jurisdiction over all such causes. The sufficiency of all local petitions shall be decided in the first instance by the county clerk or the city clerk as the case may be, subject to review by the chancery court.

Court Decisions. If the sufficiency of any petition is challenged such cause shall be a preference cause and shall be tried at once, but the failure of the courts to decide prior to the election as to the sufficiency of any such petition, shall not prevent the question from being placed upon the ballot at the election named in such petition, nor militate against the validity of such measure, if it shall have been approved by a vote of the people.

Amendment of Petition. (a)(1) If the Secretary of State, county clerk or city clerk, as the case may be, shall decide any petition to be insufficient, he or she shall without delay notify the sponsors of such petition, and permit at least thirty (30) days from the date of such notification, in the instance of a state-wide petition, or ten (10) days in the instance of a municipal or county petition, for correction or amendment.

(2) For a state-wide petition, correction or amendment of an insufficient petition shall be permitted only if the petition contains valid signatures of legal voters equal to:

(A) At least seventy-five percent (75%) of the number of state-wide signatures of legal voters required; and

(B) At least seventy-five percent (75%) of the required number of signatures of legal voters from each of at least fifteen (15) counties of the state.

(b) In the event of legal proceedings to prevent giving legal effect to any petition upon any grounds, the burden of proof shall be upon the person or persons attacking the validity of the petition.

Unwarranted Restrictions Prohibited. No law shall be passed to prohibit any person or persons from giving or receiving compensation for circulating petitions, nor to prohibit the circulation of petitions, nor in any manner interfering with the freedom of the people in procuring petitions; but laws shall be enacted prohibiting and penalizing perjury, forgery, and all other felonies or other fraudulent practices, in the securing of signatures or filing of petitions.

Publication. All measures submitted to a vote of the people by petition under the provisions of this section shall be published as is now, or hereafter may be provided by law.

Enacting Clause. The style of all bills initiated and submitted under the provisions of this section shall be, "Be It Enacted by the People of the State of Arkansas, (municipality or county, as the case may be)." In submitting measures to the people, the Secretary of State and all other officials shall be guided by the general election laws or municipal laws as the case may be until additional legislation is provided therefor.

Self-Executing. This section shall be self-executing, and all its provisions shall be treated as mandatory, but laws may be enacted to facilitate its operation. No legislation shall be enacted to restrict, hamper or impair the exercise of the rights herein reserved to the people. [Amended by Const. Amend. 7; Const. Amend. 93]

Secretary of State of the State of Arkansas, or County Clerk, or City Clerk
We, the undersigned registered voters of the State of Arkansas, or _____ County, Arkansas, or City or Incorporated Town of _____, Arkansas, (as the case may be) respectfully order by this, our petition, that Act No. _____ of the General Assembly of the State of Arkansas, approved on the _____ day of _____, 20__, entitled 'An Act _____' or Ordinance No. _____, passed by the county quorum court, the city (or town) council of the City (or Incorporated Town), or County of _____, Arkansas, on the _____ day of _____, 20__, entitled, 'An Ordinance _____,' be referred to the people of said state, county, or municipality (as the case may be), to the end that the same may be approved or rejected by the vote of the registered voters of the state, or of said county or municipality (as the case may be) at the biennial (or annual, as the case may be, if a city ordinance) regular general election (or at a special election, as the case may be) to be held on the _____ day of _____, 20__; and each of us for himself or herself says:

I have personally signed this petition; I am a registered voter of the State of Arkansas, or _____ County, Arkansas, or City of _____, or Incorporated Town of _____, Arkansas (as the case may be), and my printed name, date of birth, residence, city or town of residence, and date of signing this petition are correctly written after my signature.

(Here insert popular name and ballot title of referred measure.)

REFERRED TO THE PEOPLE OF THE STATE OF ARKANSAS, OR _____ COUNTY, ARKANSAS, OR CITY OF _____ OR INCORPORATED TOWN OF _____, ARKANSAS (as the case may be):

(Here insert full text of referred measure.)”

(b) The information provided by the person on the petition may be used as evidence of the validity or invalidity of the signature. However, if a signature of a registered voter on the petition is sufficient to verify the voter's name, then it shall not be adjudged invalid for failure to sign the name or write the residence and city or town of residence exactly as it appears on voter registration records, for failure to print the name in the space provided, for failure to provide the correct date of birth, nor for failure to provide the correct date of signing the petition, all of that information being an aid to verification rather than a mandatory requirement to perfect the validity of the signature.

(c) No additional sheets of voter signatures shall be attached to any petition unless the sheets contain the full language of the petition.

(d)(1) The signature section of the petition shall be formatted and shall contain the number of signature lines as prescribed by the Secretary of State.

(2) Before the circulation of a statewide petition for signatures, the sponsor shall file a printed petition part with the Secretary of State in the exact form that will be used for obtaining signatures.

§ 7-9-106. Required attachments to petitions.

(a) To every petition for the initiative shall be attached a full and correct copy of the title and the measure proposed.

(b) To every petition for the referendum shall be attached a full and correct copy of the measure on which the referendum is ordered.

§ 7-9-107. Filing of original draft before circulation.

(a) Before any initiative petition or referendum petition ordering a vote upon any amendment or act shall be circulated for obtaining signatures of petitioners, the sponsors shall file submit the original draft with the ~~Secretary of State~~ Attorney General.

(b) The original draft shall include:

(1) The full text of the proposed measure;

(2) A ballot title for the proposed measure; and

(3) A popular name for the proposed measure.

(c) The ~~Secretary of State~~ Attorney General shall return to the sponsor a file-marked copy of the original draft that shall serve as evidence that the original draft was filed in compliance with this section.

~~(d)(1) The sponsor may begin circulating an initiative petition or referendum petition upon receipt of the file-marked copy under subsection (c) of this section. Within ten (10) business days, the Attorney General shall approve and certify or shall substitute and certify a more suitable and correct ballot title and popular name for each amendment or act.~~

(2) The ballot title so submitted or supplied by the Attorney 16 General shall briefly and concisely state the purpose of the proposed measure.

(e) If, as a result of his or her review of the ballot title and popular name of a proposed initiated act or a proposed amendment to the Arkansas Constitution, the Attorney General determines that the ballot title or the nature of the issue, is presented in such manner that the ballot title would be misleading or designed in such manner that a vote "FOR" the issue would be a vote against the matter or viewpoint that the voter believes himself or herself casting a vote for, or, conversely, that a vote "AGAINST" the issue would be a vote for a viewpoint that the voter is against, the Attorney General may reject the entire ballot title, popular name, and petition and state his or her reasons therefor and instruct the

petitioners to redesign the proposed measure and the ballot title and popular name in a manner that would not be misleading.

(f) If the Attorney General refuses to act or if the sponsors feel aggrieved at the Attorney General's acts in such premises, the sponsors may, by petition, apply to the Supreme Court for proper relief.

§ 7-9-108. Procedure for circulation of petition.

(a) Each initiative or referendum petition ordering a vote upon a measure having general application throughout the state shall be prepared and circulated in fifteen (15) or more parts or counterparts, and each shall be an exact copy or counterpart of all other such parts upon which signatures of petitioners are to be solicited. When a sufficient number of parts are signed by a requisite number of qualified electors and are filed and duly certified by the Secretary of State, they shall be treated and considered as one (1) petition.

(b) Each part of a petition shall have attached thereto the affidavit of the canvasser to the effect that the canvasser's current residence address appearing on the verification is correct, that all signatures appearing on the petition part were made in the presence of the affiant, and that to the best of the affiant's knowledge and belief each signature is genuine and each person signing is a registered voter.

(c) Preceding every petition, there shall be set out in boldface type, over the signature of the Attorney General, any instructions to canvassers and signers as may appear proper and beneficial informing them of the privileges granted by the Arkansas Constitution and of the penalties imposed for violations of this act. The instructions on penalties shall be in larger type than the other instructions.

(d) No part of any initiative or referendum petition shall contain signatures of petitioners from more than one (1) county.

§ 7-9-109. Form of verification -- Penalty for false statement.

(2) Petitions shall not be disqualified for failure of a clerk, notary, judge, or justice of the peace to sign exactly as his or her name appears on his or her seal if the signature of a clerk, notary, judge, or justice of the peace is sufficient to verify his or her name.

(d) A canvasser who knowingly makes a false statement on a petition verification form required by this section shall be deemed guilty of a Class D felony.

(e) A canvasser who witnesses signatures on a petition part but knowingly allows another canvasser who did not witness all signatures on a petition part to execute a false verification affidavit with respect to that petition part commits a Class D felony.

(c) If the statewide initiative petition or statewide referendum petition is found to be sufficient, the Secretary of State shall certify and record the finding and perform such other duties relating thereto as are required by law.

(d) (1) If the signatures submitted on a statewide initiative petition or statewide referendum petition are found to be insufficient, the Secretary of State shall forthwith notify the sponsors in writing, through their designated agent, and shall set forth his or her reasons for so finding. When the notice is delivered, the sponsors shall have thirty (30) days in which to do any or all of the following:

(A) Solicit and obtain additional signatures; or

(B) Submit proof to show that the rejected signatures or some of them are good and should be counted.

(2) Any amendments and corrections shall not materially change the purpose and effect of the statewide initiative petition or statewide referendum petition. No change shall be made in the measure.

(3) The Secretary of State shall ascertain and declare the sufficiency or insufficiency of additional signatures submitted by the sponsors under this subsection within thirty (30) days of the filing of the supplemental petitions.

(g) All county initiative and referendum elections shall be held in accordance with the provisions of § 14-14-917.

(h) Municipal referendum petition measures shall be submitted to the electors at a regular general election unless the petition expressly calls for a special election. If the date set by the petition does not allow sufficient time to comply with election procedures, then the city or town council shall fix the date for any special election on the referendum measure. The date of any special election shall be set in accordance with § 7-11-201 et seq. but in no event more than one hundred twenty (120) calendar days after the date of certification of sufficiency by the municipal clerk.

~~**(4)(A)** If the board determines that the ballot title or popular name, or the nature of the issue, is presented in such a manner that the ballot title or popular name would be misleading or designed in such manner that a vote "FOR" the issue would be a vote against the matter or viewpoint that the voter believes himself or herself casting a vote for, or, conversely, that a vote "AGAINST" an issue would be a vote for a viewpoint that the voter is against, the board shall:~~

~~**(i)** Not certify the ballot title and popular name;~~

~~(ii)(a) Notify the sponsors in writing, through their designated agent, that the ballot title and popular name were not certified and set forth its reasons for so finding.~~

§ 7-9-112. Right of Review.

~~(2) A registered voter.~~

~~(B) If the Supreme Court decides that the ballot title and popular name should be certified, the Supreme Court shall order the board to certify the ballot title and popular name to the Secretary of State, who shall declare the proposed measure sufficient to be placed upon the ballot if the signatures on the statewide initiative petition or statewide referendum petition are sufficient.~~

~~(2) On a proper showing that the signatures are not sufficient or the ballot title or popular name should not be certified, the Supreme Court may enjoin the Secretary of State from certifying the proposed measure for inclusion on the ballot for the election at which the proposed measure would be considered or, in the event that the proposed measure will~~

LOCAL MEASURES

This publication focuses primarily on statewide measures. It should be noted, however, that Article 5, Section 1 of the Arkansas Constitution also reserves the initiative and referendum powers to the people at the local level, with specific requirements for local governments.

The statutes included above generally apply or specifically refer to local measures. See, e.g., Ark. Code Ann. §§ 7-9-104 and 7-9-105 concerning the form of petitions.

However, specific statutes outlining the process for county measures are included below. For guidance at the municipal level, please review any municipal ordinance that may have been passed concerning initiative or referendum petitions and consult with legal counsel.

COUNTY-WIDE INITIATIVES & REFERENDA

§ 14-14-914. Initiative and referendum generally.

(a) County Legislative Powers Reserved. The powers of initiative and referendum are reserved to the electors of each county government pursuant to Arkansas Constitution, Amendment 7.

(b) Restrictions. No county legislative measure shall be enacted contrary to the Arkansas Constitution or any general state law which operates uniformly throughout the state, and any general law of the state shall have the effect of repealing any county ordinance which is in conflict therewith. All ordinances adopted by the county quorum court providing for alternative county organizations and all proposed reorganizations of county government that may be proposed by initiative petition of electors of the county under Arkansas Constitution, Amendment 7 shall be submitted to the electors of the county only at the next following general election. However, such referendum shall be subject to initiative petition.

(c) Petition by Electors. The qualified electors of each county may initiate and amend ordinances and require submission of existing ordinances to a vote of the people by petition if signed by not less than fifteen percent (15%) of the qualified electors voting in the last general election for the office of circuit clerk, or the office of Governor where the electors have abolished the office of circuit clerk.

(d) Suspension of Force. (1) General Ordinance. A referendum petition on a general ordinance, or any part thereof, shall delay the effective date on that part included in the petition until the ordinance is ratified by the electors. However, the filing of a referendum petition against one (1) or more items, sections, or parts of any ordinance shall not delay the remainder from becoming operative.

(2) Emergency Ordinance. A referendum petition on an emergency ordinance shall not suspend the force of the law, but the measure may be law until it is voted upon by the electors.

§ 14-14-915. Initiative and referendum requirements.

(a) Style Requirements of Petitions. A petition for county initiative or referendum filed by the electors shall:

(1) Embrace only a single comprehensive topic and shall be styled and circulated for signatures in the manner prescribed for county ordinances and amendments to ordinances established in this section and § 7-9-101 et seq.;

(2) Set out fully in writing the ordinance sought by petitioners; or in the case of an

amendment, set out fully in writing the ordinance sought to be amended and the proposed amendment; or in the case of referendum, set out the ordinance, or parts thereof, sought to be repealed; and

(3) Contain a written certification of legal review by an attorney at law duly registered and licensed to practice in the State of Arkansas. This legal review shall be conducted for the purpose of form, proper title, legality, constitutionality, and conflict with existing ordinances. Legal review shall be concluded prior to the circulations of the petition for signatures. No change shall be made in the text of any initiative or referendum petition measure after any or all signatures have been obtained.

(b) Time Requirements for Filing Petitions. (1) Initiative Petitions. All petitions for initiated county measures shall be filed with the county clerk not less than ninety (90) calendar days nor more than one hundred twenty (120) calendar days prior to the date established for the next regular election.

(2) Referendum Petitions. All petitions for referendum on county measures must be filed with the county clerk within sixty (60) calendar days after passage and publication of the measure sought to be repealed.

(3) Certification. All initiative and referendum petitions must be certified sufficient to the county board of election commissioners not less than seventy (70) calendar days prior to a regular general election to be included on the ballot. If the adequacy of a petition is determined by the county clerk less than seventy (70) days prior to the next regular election, the election on the measure shall be delayed until the following regular election unless a special election is called on a referendum measure as provided by law.

(c) Filing of Petitions. Initiative and referendum petitions ordering the submission of county ordinances or measures to the electors shall be directed to and filed with the county clerk.

(d) Sufficiency of Petition. Within ten (10) days after the filing of any petition, the county clerk shall examine and ascertain its sufficiency. Where the petition contains evidence of forgery, perpetuated either by the circulator or with his or her connivance, or evidence that a person has signed a name other than his or her own to the petition, the prima facie verity of the circulator's affidavit shall be nullified and disregarded, and the burden of proof shall be upon the sponsors of petitions to establish the genuineness of each signature. If the petition is found sufficient, the clerk shall immediately certify the finding to the county board of election commissioners and the quorum court.

(e) Insufficiency of Petition and Recertification. If the county clerk finds the petition insufficient, within ten (10) days after the filing thereof, the clerk shall notify the petitioners or their designated agent or attorney of record, in writing, setting forth in detail every reason for the findings of insufficiency. Upon notification of insufficiency of the petition, the petitioners shall be afforded ten (10) calendar days, exclusive of the day notice of insufficiency is received, in which to solicit and add additional signatures, or to submit proof tending to show that signatures rejected by the county clerk are correct and should be counted. Upon resubmission of a petition which was previously declared insufficient, within five (5) calendar days, the county clerk shall recertify its sufficiency or insufficiency

in the same manner as prescribed in this section and, thereupon, the clerk's jurisdiction as to the sufficiency of the petition shall cease.

(f) Appeal of Sufficiency or Insufficiency Findings. Any taxpayer aggrieved by the action of the clerk in certifying the sufficiency or insufficiency of any initiative or referendum petition, may within fifteen (15) calendar days, but not thereafter, may file a petition in circuit court for a review of the findings.

§ 14-14-916. Judicial jurisdiction over initiative and referendum.

(a) Jurisdiction of Circuit Court. Jurisdiction is vested upon the circuit courts to hear and determine petitions for writs of mandamus, injunctions, and all other actions affecting the submission of any proposed county initiative or referendum petitions. All such proceedings and actions shall be heard summarily upon five (5) calendar days' notice in writing and shall have precedence over all other suits and matters before the court.

(b) Limitation of Injunction or Stay of Proceedings. No procedural steps in submitting an initiative or referendum measure shall be enjoined, stayed, or delayed by the order of any court or judge after the petition has been declared sufficient, except in circuit court on petition to review as provided in this section. During the pendency of any proceeding to review, the findings of the county clerk shall be conclusive and binding and shall not be changed or modified by any temporary order or ruling, and no court or judge shall entertain jurisdiction of any action or proceeding questioning the validity of any such ordinance or measure until after it shall have been adopted by the people.

§ 14-14-917. Initiative and referendum elections.

(a) Time of Election for Initiative and Referendum Measures. (1) Initiative. Initiative petition measures shall be considered by the electors only at a regular general election at which state and county officers are elected for regular terms.

(2) Referendum. Referendum petition measures may be submitted to the electors during a regular general election and shall be submitted if the adequacy of the petition is determined within the time limitation prescribed in this section. A referendum measure may also be referred to the electors at a special election called for the expressed purpose proposed by petition. However, no referendum petition certified within the time limitations established for initiative measures shall be referred to a special election, but shall be voted upon at the next regular election. No referendum election shall be held on a date under § 7-11-205.

(3) Calling Special Elections. The jurisdiction to establish the necessity for a special election on referendum measures is vested in the electors through the provisions of petition. Where such jurisdiction is not exercised by the electors, the county court of each of the several counties may determine such necessity. However, a quorum court may compel the calling of a special election by a county court through resolution adopted during a regularly scheduled meeting of the quorum court. The resolution may specify a reasonable time limitation in which a county court order calling the special election shall be entered.

(4) Time of Special Election. The county court shall fix the date for the conduct of any special elections on referendum measures. The date shall be not less than established under § 7-11-201 et seq. When the electors exercise their powers to establish the necessity for a special election, the county court shall order an election according to the dates stated in § 7-11-201 et seq.

(b) Certification Requirements.

(1) Numeric Designation of Initiative and Referendum Measures. Upon finding an initiative or referendum petition sufficient and prior to delivery of such certification to a board of election commissioners and quorum court, the county clerk shall cause the measure to be entered into the legislative agenda register of the quorum court. This entry shall be in the order of the original filing of petition, and the register entry number shall be the official numeric designation of the proposed measure for election ballot purposes.

(2) Certification of Sufficiency. The certification of sufficiency for initiative and referendum petitions transmitted by the county clerk to the county board of election commissioners and quorum court shall include the ballot title of the proposed measure, the legislative agenda registration number, and a copy of the proposed measure, omitting signatures. The ballot title certified to the board shall be the comprehensive title of the measure proposed by petition, and the delivery of the certification to the chair or secretary of the board shall be deemed sufficient notice to the members of the board and their successors.

(c) Notice of Election.

(1) Initiative Petitions. Upon certification of any initiative or referendum petition measure submitted during the time limitations for a regular election, give notice, through publication by a two-time insertion, at not less than a seven-day interval, in a newspaper of general circulation in the county or as provided by law. Publication notice shall state that the measure will be submitted to the electors for adoption or rejection at the next regular election and shall include the full text, the ballot title, and the official numeric designation of the measure.

(2) Referendum Petition. Upon certifying any referendum petition prior to the time limitations of filing measures established for a regular election, the county clerk shall give notice through publication by a one-time insertion in a newspaper of general circulation in the county or as provided by law. Publication notice shall state that the measure will be submitted to the electors for adoption or rejection at the next regular election or a special election when ordered by the county court and shall include the full text, the ballot title, and the official numeric designation of the measure.

(3) Publication of Special Referendum Election Notice. Upon filing of a special election order by the county court, the county clerk shall give notice of the election through publication by a two-time insertion, at not less than a seven-day interval, in a newspaper of general circulation in the county or as provided by law. Publication shall state that the measure will be submitted to the electors for adoption or rejection at a special election and shall include the full text, the date of the election, the ballot title, and official numeric designation of the measure.

(4) Costs. The cost of all publication notices required in this section shall be paid out of the county general fund.

(d) Ballot Specifications for Initiative and Referendum Measures.

(1)(A) Upon receipt of any initiative or referendum measure certified as sufficient by a county clerk, it shall be the duty of the members of the county board of election commissioners to take due cognizance and to certify the results of the vote cast thereon.

(B)(1) Except as provided in subdivision (d)(1)(B)(ii) of this section, the board shall cause the ballot title to be placed on the ballot to be used in the election, stating plainly and separately the title of the ordinance or measure so initiated or referred by the quorum court to the electors with these words:

“FOR PROPOSED INITIATIVE (OR REFERRED) ORDINANCE (OR AMENDMENT OR MEASURE)

NO. _____

AGAINST PROPOSED INITIATIVE (OR REFERRED) ORDINANCE (OR AMENDMENT OR MEASURE)

NO. _____”.

(ii) If the election concerns repeal of an ordinance or measure by referendum petition, the ballot shall state plainly the title of the initiated ordinance or referred measure with these words:

FOR REPEAL OF THE INITIATIVE (OR REFERRED) ORDINANCE (OR AMENDMENT OR MEASURE)

NO. _____

AGAINST REPEAL OF THE INITIATIVE (OR REFERRED) ORDINANCE (OR AMENDMENT OR MEASURE)

NO. _____

(2) In arranging the ballot title on the ballot, the commissioners shall place it separate and apart from the ballot titles of the state acts, constitutional amendments, and the like. If the board of election commissioners fails or refuses to submit a proposed initiative or referendum ordinance when it is properly petitioned and certified as sufficient, the qualified electors of the county may vote for or against the ordinance or measure by writing or stamping on their ballots the proposed ballot title, followed by the word "FOR" or "AGAINST", and a majority of the votes so cast shall be sufficient to adopt or reject the proposed ordinance.

(e) Conflicting Measures. Where two (2) or more ordinances or measures shall be submitted by separate petition at any one (1) election, covering the same subject matter and being for the same general purpose, but different in terms, words, and figures, the

ordinance or measure receiving the greatest number of affirmative votes shall be declared the law, and all others shall be declared rejected.

(f) Contest of Election. The right to contest the returns and certification of the vote cast upon any proposed initiative or referendum measure is expressly conferred upon any ten (10) qualified electors of the county. The contest shall be brought in the circuit court and shall be conducted under the procedure for contesting the election of county officers, except that the complaint shall be filed within sixty (60) days after the certification of the vote and no bond shall be required of the contestants.

(g) Vote Requirement for Enactment of Ordinance. Any measure submitted to the electors as provided in this section shall take effect and become law when approved by a majority of the votes cast upon the measure, and not otherwise, and shall not be required to receive a majority of the electors voting at the election. The measure so enacted shall be operative on and after the thirtieth day after the election at which it is approved, unless otherwise specified in the ordinance or amendment.

§ 14-14-918. Passage of initiative and referendum measures.

(a) Recording of Enactment. Upon passage of any initiative or referendum measure by the electors, the county clerk shall record the enactment in the county ordinance and resolution register in the manner provided by law for all county ordinances and resolutions. The register entry number designation shall thereby become the official reference number designating the enactment.

(b) Quorum Court Authority. No measure approved by a vote of the electors shall be amended or repealed by a quorum court except by affirmative vote of two-thirds (2/3) of the whole number of justices comprising a court. On the passage of an amendment or repealing measure, the yeas and nays shall be called and recorded in the minutes of the meeting.

(c) Preservation of Records. All petitions, certificates, notices, and other evidences of procedural steps taken in submitting any ordinance shall be filed and preserved for a period of three (3) years by the county clerk.

§ 14-14-919. Referendum petitions on county bond issue.

All referendum petitions under Arkansas Constitution, Amendment 7, against any measure, as the term is used and defined in Arkansas Constitution, Amendment 7, pertaining to a county bond issue or a short-term financing obligation of a county under Arkansas Constitution, Amendment 78, must be filed with the county clerk within thirty (30) days after the adoption of any such measure.
