	General Observations & Premises	Potential Violation(s) Observed	No Potential Violation(s) Observed	Not Applicable	Comments		
1	Are the records and information maintained in the licensee's online OMMA license account correct, including, but not limited to, the following:  (a) Mailing address (b) Contact information (c) Trade name or DBA (d) License classification matches physical property/process  (If No, Potential Violation(s) Observed)  OAC 442:10-5-1.1(7)						
	Is the licensee operating under conditions of a material change prior to receiving Authority approval including but not limited to: (a) Physical address of licensed premises (b) Ownership information  (If Yes, Potential Violation(s) Observed)  OAC 442:10-5-2(e)(2)						
3	If the licensee has medical marijuana or medical marijuana products present on site, does the licensee have a valid OBNDD registration?  (If No, Potential Violation(s) Observed)  OAC 442:10-1-5(c)						

4	Does the licensee have security measures to deter and prevent unauthorized entrance into areas containing marijuana and the theft and diversion of marijuana?  (If No, Potential Violation(s) Observed)  OAC 442:10-6-1(a)				
5	Is the inspector able to perform an inspection on the licensed				
	premises?	_	_	_	
	(If No, Potential Violation(s) Observed)  OAC 442:10-5-1.1(3); OAC 442:10-5-4(a); OAC 442:10-5-6(i)	Ш	Ш	Ш	
6	Is the current OMMA license conspicuously posted on the premises?				
	(If No, Potential Violation(s) Observed)  OAC 442:10-5-1.1(1)				
7	Is all medical marijuana onsite being stored under conditions in a				
	manner that protects it from physical and microbial contamination				
	and deterioration?				
	(If No, Potential Violation(s) Observed)	Ш		Ш	
	OAC 442:10-7-1(g)(1)				
8	When not in use, is all medical marijuana onsite being stored in				
	receptacles that are capable of being fully closed and sealed and are				
	kept fully closed and sealed?				
	(If No, Potential Violation(s) Observed)	Ш	Ш	Ш	
	OAC 442:10-7-1(g)(2)				
9	Are batch numbers easily identified on storage receptacles of medical				
	marijuana & medical marijuana products that are currently in use?				
	(If No, Potential Violation(s) Observed)  OAC 442:10-7-1(g)(3)				
_	Desath a licenses display consules of manifestate allow modified				
10	Does the licensee display samples of marijuana to allow medical marijuana patients and caregivers to smell and handle the various				
	strains that are:				
	(a) More than three (3) grams				
	(b) Not in a separate sample display case, jar or other sample				
	container protected by a plastic or metal mesh screen?				
	(If Yes, Potential Violation(s) Observed)				
	OAC 442:10-5-14(a)				
11	Are the licensee's display samples of marijuana labeled with the				
	following information: (a) Licensee name that grew the medical marijuana				
	(b) Strain name				
	(c) Batch number				
	(d) The following statement "Sample: not for retail sale."	Ш			
	/If No Determinal Violeties (-) Observed				
	(If No, Potential Violation(s) Observed)  OAC 442:10-5-14(b)				
12	Does the licensee properly dispose of display samples of marijuana?				
	(If No, Potential Violation(s) Observed)				
	OAC 442:10-5-14(a)				

Inventory Tracking	Potential Violation(s) Observed	No Potential Violation(s) Observed	Not Applicable	Comments
13 Does the licensee use the state inventory tracking system or a system that is integrated with the state inventory tracking system that is reporting to the Authority accurately and in real time or after each individual sale? (If No, Potential Violation(s) Observed) OAC 442:10-5-6(d)-(f)				
<ul><li>14 Is an owner or manager of the OMMA license the inventory tracking system administrator?</li><li>(If No, Potential Violation(s) Observed)</li><li>OAC 442:10-5-6(g)(1)</li></ul>				
<ul> <li>15 Does the licensee maintain an accurate and complete list of all inventory tracking system administrators and employee users?</li> <li>Note: The commercial licensee shall change or assign a new inventory tracking system administrator within thirty (30) business days.</li> <li>Note: The licensee must remove access for any individual no longer using the State inventory tracking system or no longer employed by the licensee within three (3) business days.</li> <li>Note: Within three (3) business days, commercial licensees must remove access for any inventory tracking system administrator or user from their accounts if any such individual no longer utilizes the State inventory tracking system or is no longer employed by the commercial licensee.</li> <li>(If No, Potential Violation(s) Observed)</li> <li>OAC 442:10-5-6(g)(3)-(4),(8)</li> </ul>				
<ul> <li>16 Do the licensee's inventory tracking system tags contain the legal name and correct license number of the commercial licensee that ordered and is using them?</li> <li>(If No, Potential Violation(s) Observed)</li> <li>OAC 442:10-5-6(f)(3)(C)</li> </ul>				
<ul><li>17 Does the licensee ensure it has an adequate supply of inventory tracking system tags at all times?</li><li>(If No, Potential Violation(s) Observed)</li><li>OAC 442:10-5-6(f)(3)(B)</li></ul>				
18 Does the licensee ensure its inventories are properly tagged and that each inventory tracking system tag is properly assigned to medical marijuana and medical marijuana products?  (If No, Potential Violation(s) Observed)  OAC 442:10-5-6(f)(3)(A); OAC 410:10-5-6(f)(7)				

	Are all inventory tracking system tags properly and securely affixed or				
	fastened to plants and packages?				
	(a) The inventory tracking system tag shall be placed on the container				
	holding the medical marijuana plant and must remain physically near				
	and clearly associated with the medical marijuana plant until the plant				
	reaches twelve (12) inches in height.				
	(b) When the plant reaches twelve (12) inches in height, the inventory tracking system tag shall be securely fastened to a lower supporting				
	branch. The inventory tracking system tag shall remain affixed for the				
	entire life of the plant until disposal.				
	(c) Mother plants must be tagged before any cuttings or clones are				
	generated therefrom.				
	(d) Inventory must have an inventory tracking system tag properly				
	affixed to all medical marijuana products during storage and transfer				
	in one of the following manners: individual units of medical marijuana				
	products shall be individually affixed with an inventory tracking system				
	tag; or medical marijuana products may only be combined in a single				
	wholesale package using one inventory tracking system tag if all units				
	are from the same production batch.				
	(If No, Potential Violation(s) Observed)				
	OAC 442:10-5-6(f)(3)(D)-(F); OAC 442:10-5-6(f)(4)				
20	Does the licensee replace inventory tracking system tags that get				
	destroyed, stolen, or fall off of a medical marijuana plant with a new				
	inventory tracking system tag and is the change of the inventory				
	tracking system tag properly reflected in the State inventory tracking				
	system?			Ш	
	(If No, Potential Violation(s) Observed)

By signing below, either electronically or otherwise, I hereby attest, affirm and/or acknowledge the following.
l. I am a duly authorized representative of the OMMA licensee identified herein. I acknowledge that an OMMA licensed business inspection was conducted at the premises, date, and time identified above.
?. I acknowledge that the signing of this form does not indicate that I agree evidence exists of a possible violation.
B. I acknowledge that I may request a copy of this inspection report by submitting an Open Records Request to OMMA. I acknowledge that such request may be submitted in writing by email to OMMAOpenRecords@omma.ok.gov. I acknowledge OMMA has made available an Open Records Request form on its website.
1. I acknowledge the findings in this inspection report relate to the collection of evidence of potential violations and this report does not make legal conclusions as to whether a violation or violations exist(s).
5. I acknowledge that any Compliance Inspector who performed the inspection conducted at the premises, date, and time identified above lacks the authority to make unauthorized commitments or promises of any kind purporting to bind OMMA, including, but not limited to, any commitments or representations:
a. Regarding the existence of any violation or potential violation or providing any interpretation of law;
b. Regarding the correctable nature and/or method to correct any violation or potential violation;
c. Regarding the type, nature, and/or potential resolution of any administrative action related to any violation or potential violation; and/or d. The type, scope, and/or nature of any potential penalty, fine or other administrative action related to any violation or potential violation.
☐ Signature witnessed by authorized OMMA representative ☐ Refusal to sign witnessed by authorized OMMA representative
