Filling out the Application

Click on “Part 1” to fill out the housing application.

Everyone who is living on campus must fill out Part 1.

The screenshot shows a web application interface with a navigation bar at the top containing 'Home', 'Applications' (highlighted), 'Roommates', 'My Account', and 'More'. On the right side of the navigation bar, there is a user profile for 'Paws Lyon' with a roommate code 'dikeple143' and a notification icon with the number '5'. The main content area is titled 'Applications' and contains the following text: 'The application for this term has two parts: The first part is the application itself. It is required and must be submitted by the deadline listed. While the second part, setting up your Roommate Group, is optional.' Below this text are two application cards. The first card, 'Part 1: New Student Housing Request - 2018-2019', is marked as '*Required' and has a due date of 'Sunday, June 24th 2018 at 11:55pm'. The second card, 'Part 2: Roommate Group (Optional)', includes a button labeled 'Create your Roommate Group'. At the bottom of the page, there are logos for 'MHC' and 'RESIDENCE by a simplicity™', and a footer indicating the system is 'Powered by a simplicity™'.

Community Specific Preferences

If you would like to apply for a Living Learning Community, you will do this here. You can apply for up to 3 LLCs.

Community Specific Preferences

We will do our best to grant requests to live in these communities, but due to limited space we cannot guarantee that just because you request one of these types of communities that you will be placed there. We do not ask for building-specific preferences from first year students as all first years are placed randomly across campus if they are not part of these specific communities.

A description of each of the Living Learning Communities can be found [here](#).

LLC 1st Choice*:

I would like to be considered for the LEADERSHIP community within the First Year Experience. ▼

LLC 2nd Choice*:

I would like to be considered for the FIRST YEAR EXPERIENCE Community. ▼

LLC 3rd Choice*:

I would like to be considered for the OUTDOOR ADVENTURE Community. ▼

LLC 1st Choice*:

I am not interested in an LLC. ▼

LLC 2nd Choice*:

I am not interested in an LLC. ▼

LLC 3rd Choice*:

I am not interested in an LLC. ▼

If you do not want to live in an LLC, select “I am not interested in an LLC.”

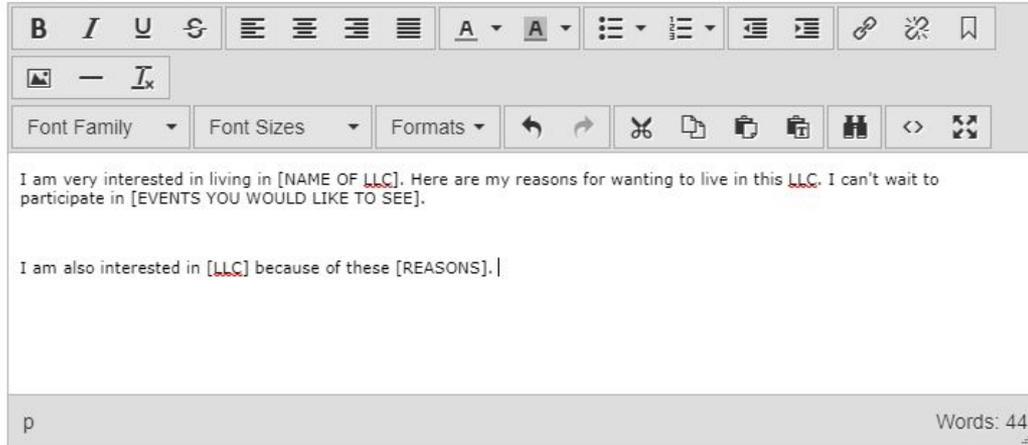

Community Specific Preferences

Quiet Floor*:

You will also select if you are interested in living on a Quiet Floor.

There are multiple quiet floors available on campus. A quiet floor is one in which the residents agree to a higher standard of quiet than exists elsewhere on campus. Generally, residents agree to guidelines in which no noise from televisions, stereos, or loud voices are audible outside one's own room. Floor members may decide to relax their guidelines for particular social events. The quiet floors are located on the fourth and fifth floors of 1837 Hall, as well as all floors in Safford Hall. Pearsons Annex is also a quiet building.

Why do you think you are well-suited for this/these LLC(s) or Quiet Living?*

The screenshot shows a rich text editor interface. The toolbar includes buttons for Bold (B), Italic (I), Underline (U), Undo, Bulleted List, Numbered List, Indent, Outdent, Text Color, Background Color, Bulleted List with Number, Numbered List with Number, Link, Unlink, and Bookmark. Below the toolbar are buttons for Insert Image, Horizontal Line, and Strikethrough. The text area contains the following text: "I am very interested in living in [NAME OF LLC]. Here are my reasons for wanting to live in this LLC. I can't wait to participate in [EVENTS YOU WOULD LIKE TO SEE].

I am also interested in [LLC] because of these [REASONS]."

Next you will share your reasons for wanting to live in an LLC or Quiet Living. If you do not want to live in an LLC or Quiet Living, just right N/A.

Housing Accommodations for Incoming Students

[Disability Services](#) is the office at Mount Holyoke College that provides accommodations to students with documented disabilities in the areas of academics, campus jobs, dining, housing, and transportation. Ideally, students with disabilities who would like accommodation(s) at Mount Holyoke should complete the application process prior to arriving on campus.

Their application process has three steps; 1) **Fill Out The Application Form** Please complete the Disability Services application form on [Disability Resources Site](#), an internal website for students and the College community. 2) **Provide Documentation** In order to provide you with accommodations, we need appropriate documentation of your disability from a licensed provider. This documentation may be faxed (413-538-2827), [emailed](#) or mailed to Disability Services Mount Holyoke College 50 College St. South Hadley, MA 01075-1487. For more information, please see the [Documentation Standards](#) section of our website or call the phone number below. 3) **Schedule An Intake Appointment** Once the application and supporting documentation has been received, our office will contact you via your MHC email to schedule an intake appointment. Appointments are available in person, by phone or by video conference and last approximately an hour.

Housing Accommodations

Any student who is seeking Housing Accommodations for the 2024-2025 Academic Year should complete the Disability Services application process by June 24, 2024. While students may request housing accommodations at any time, any incoming first-year who is approved for housing accommodations after June 24 will be housed with the rest of the incoming first years and Residential Life will look at adjusting their placement after the first-year class has been housed. After June 24, housing accommodations will be subject to availability.
